This Interim Redevelopment Agreement is related to 7R2-c, adopted on April 4, 2018 (the Original Redevelopment Agreement), and Legistar #18-1503, which allows for this Interim Redevelopment Agreement.

**WHEREAS**, the purpose of this resolution is to approve the execution of an Interim Redevelopment Agreement which provides for the occupancy of the following City-owned property for a term:

<u>ADDRESS</u>	<u>WARD</u>	<u>BLOCK</u>	<u>LOT</u>	<u>SQ. FEET</u>
646-696 Frelinghuysen Ave. Rear	South	3782	109	Approx. 217,800

(the "Property"); and

Rent: \$12,000.00 per month; and

**WHEREAS**, the Local Redevelopment and Housing Law, N.J.S.A. 40A:12A-1, *et seq.*, as amended and supplemented (the "Act"), authorizes municipalities to participate in the redevelopment and improvement of areas that are in need of redevelopment or rehabilitation; and

**WHEREAS**, on July 14, 2004, the Frelinghuysen Avenue Airport Support Zone Redevelopment Plan (the "Redevelopment Plan") covering the Property, as that term is defined herein, was adopted by Ordinance 6S&Fk July 14, 2004; and

**WHEREAS**, in order to stimulate the reinvigoration of the City, by Resolution 7Rdo(AS) adopted by the Municipal Council on June 15, 2005, the entire City of Newark was then designated as an area in need of rehabilitation pursuant to the Act; and

**WHEREAS**, pursuant to N.J.S.A. 40A: 12A-8(g), the City is authorized to lease or convey property to any party without public bidding and at such prices and upon such terms as it deems reasonable; and

**WHEREAS**, as a result of certain tax foreclosure proceedings, the City acquired that real property shown on the official tax map of the City of Newark as Block 3782, Lot 109 located in the South Ward of the City, more commonly known as 646-696 Frelinghuysen Avenue, Rear, and comprising approximately five (5) acres (the "Property"); and

**WHEREAS**, due to on-site industrial operations dating back to 1931, the Property is heavily contaminated and the New Jersey Department of Environmental Protection ("NJDEP") previously took certain initial response actions upon the Property in accordance with the New Jersey Spill Compensation & Control Act, N.J.S.A. 58:10-23.11, *et seq.*, at a cost to NJDEP of over \$837,000.00, for which amount a lien upon the Property has been asserted as reflected in the Notice of Amended First Priority Lien ("NJDEP Lien"); and

**WHEREAS**, the Property is also a federal Superfund Site on the National Priorities List (identified as #NJD980755623 and known as the White Chemical Corporation Superfund Site), and has been remediated by certain responsible parties, and continues to be further remediated by the United States Environmental Protection Agency (“USEPA”) in accordance with the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. § 9601, et seq., at a cost to USEPA of approximately \$46,013,000.18, with future groundwater remediation costs estimated to be approximately \$25,000,000.00 (the “USEPA Remediation”), the total amount likely comprising over \$70,000,000.00, for which amount a lien upon the Property has been asserted pursuant to the Notice of Federal Lien (“USEPA Lien”); and

**WHEREAS**, the City has determined that the Property is not needed for any public use and that redevelopment of the Property, both on an interim basis and permanently, will contribute to the reinvigoration of the City and as such, the City commenced negotiations with the NJDEP and the USEPA, respectively, in order to resolve the NJDEP Lien and the USEPA Lien; and

**WHEREAS**, 3J's Development Group, LLC (the “Redeveloper” or the “Interim Redeveloper”) expressed an interest in purchasing the Property and redeveloping it as follows: initially, as a secure parking facility for commercial vehicles and upon the completion of the USEPA Remediation, as an industrial warehouse, or for such other purposes as may be approved by the City and consistent with the Deed Notice which has been recorded upon the Property in connection with the USEPA Remediation; and

**WHEREAS**, the City determined that the Redeveloper appears to possess the proper qualifications, financial resources, and capacity to implement and complete the permanent redevelopment of the Property in accordance with all applicable laws, rules and regulations and as such, the City undertook negotiations with the Redeveloper to enter into a Redevelopment and Property Conveyance Agreement (the “Redevelopment Agreement”); and

**WHEREAS**, by Resolution 7R2-c of the Municipal Council of the City of Newark, dated April 4, 2018, the City authorized the execution of a Redevelopment Agreement with the Redeveloper which provides for, *inter alia*, the conveyance of the Property to the Redeveloper for a Purchase Price of \$2,900,000.00, subject to certain credits, and the redevelopment of the Property in phases as set forth above; and

**WHEREAS**, satisfactory resolution of the NJDEP Lien and the USEPA Lien are express conditions precedent to any obligation under the Redevelopment Agreement and any proposed resolution of either Lien is to be submitted separately to the Municipal Council of the City of Newark for consideration; and

**WHEREAS**, the City has arrived at an agreement with the USEPA to resolve the USEPA Lien (the “USEPA Agreement”) and the Redeveloper is expected to be a party to the USEPA Agreement; and

**WHEREAS**, while the City continues to negotiate a resolution of the NJDEP Lien with NJDEP, and while the Parties work towards satisfying the Conditions Precedent set forth in the Redevelopment Agreement, the Redeveloper has proposed to clean up the debris that has accumulated from illegal dumping upon the Property, install a fence around the Property in order to discourage further dumping, generally secure the Property, and utilize the site on an interim basis for employee and truck parking to support its nearby local business operations (the “Interim Project”),

which such interim use the USEPA supports; and

**WHEREAS**, the City believes that the implementation of the Interim Project upon the Property is in the vital and best interests of the City and that it promotes the health, safety, morals and welfare of the City's residents and as such, the City wishes to lease the Property for a term to the Interim Redeveloper for a monthly rent of \$12,000.00 (the "Rent"), 50% of which shall be credited against the Purchase Price upon the conveyance of the Property by the City to 3 J's Development Group, LLC pursuant to the terms of the Redevelopment Agreement; and

**WHEREAS**, the City wishes to enter into an Interim Redevelopment Agreement with the Interim Redeveloper in substantially the form attached hereto, the terms of which, including the Rent, the City deems reasonable; and

**WHEREAS**, the USEPA Agreement is to be considered in conjunction with the Interim Redevelopment Agreement attached hereto.
