**WHEREAS**, the New Jersey “Clean Communities and Recycling Act” of 1981, created the Municipal Recycling Tonnage Grant Program, whereby municipalities could receive a grant for the amount of materials documented as being recycled during the previous calendar year; and

**WHEREAS**, in 1987, the New Jersey “Mandatory Source Separation and Recycling Act,” specifically N.J.S.A. 13:1E-99.16, mandated that municipalities submit an annual Recycling Tonnage Report summarizing the amount of material recycled during the previous calendar year; and

**WHEREAS**, in January 2008, the “Recycling Enhancement Act,” specifically N.J.S.A. 13:1E-96.b(1) reestablished the State of New Jersey Recycling Fund as a non-lapsing, revolving fund, administered by the New Jersey Department of Environmental Protection (“NJDEP”), from which a tonnage grant may be provided to municipalities in order to encourage local source separation and recycling programs; and

**WHEREAS**, the Municipal Recycling Tonnage Grant program does not require the submission of an official application to receive an award nor does the NJDEP issue official award letters, rather grant funds are provided to the City via direct deposit; and

**WHEREAS**, in order to remain eligible for a direct recycling grant, municipalities need only submit an annual recycling tonnage report to the NJDEP for the previous calendar year’s recycling; and

**WHEREAS**, on July 6, 2014 the City of Newark caused a 2014 annual Recycling Tonnage Report to be filed with the NJDEP (see “Tonnage Report” attached hereto and made a part hereof); and

**WHEREAS** on or about December 29, 2016, the NJDEP issued a check for the 2014 Recycling Tonnage Grant funds awarded to the City in the amount of \$552,249.38, which was directly deposited into the City’s account on January 18, 2017 (see “Deposit Summary” report attached hereto and made a part hereof); and

**WHEREAS**, the Director of Public Works wishes to accept said 2014 Recycling Tonnage Grant funds; and

**WHEREAS**, no grant agreement is required in order to accept the 2014 Recycling Tonnage Grant funds; and

**WHEREAS**, no matching municipal funds are required for acceptance of the 2014 Recycling Tonnage Grant funds; and

**WHEREAS**, there is no timeframe for which the City may expend Tonnage Grant Funds as long as all recycling tonnage grant monies received are expended only for the City’s recycling program, pursuant to the Recycling Enhancement Act.

**NOW, THEREFORE, BE IT RESOLVED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, NEW JERSEY, THAT:**

1. The Mayor and/or his designee is hereby authorized to submit its 2014 annual Recycling Tonnage Report with the New Jersey Department of Environmental Protection (“NJDEP”) for use for the City’s recycling program. (a copy of the “Tonnage Report” is attached hereto and made a part hereof).
