AN ORDINANCE FURTHER AMENDING TITLE 19, CHAPTER 2, RENT CONTROL REGULATIONS, RENT CONTROL BOARD, OF THE REVISED GENERAL ORDINANCES OF THE CITY OF NEWARK, NEW JERSEY, 2000, AS AMENDED AND SUPPLEMENTED, BY INCORPORATING THE USE OF THE CONSUMER PRICE INDEX-URBAN (CPI-U) AND CERTAIN TAXPAYER TENANTS AND LANDLORDS AMENDMENTS.

WHEREAS, the Municipal Council adopted Ordinance, 6PSF-d, May 20, 2014, which amended and supplemented Title 19, Chapter 2, Rent Control Regulations, Rent Control Board to include provisions relating to major new improvements and other amendments; and

WHEREAS, the Municipal Council further adopted Resolution 7R9-h(AS) dated August 6, 2014, which clarified the intent of the amendments previously adopted, inclusive of utilizing the Consumer Price Index-Urban (CPI-U), as provided by the United States Department of Labor, Bureau of Labor Statistics, for the City of Newark, located within the New York-Northern New Jersey-Long Island, NY-NJ-CT-PA consolidated area; and

WHEREAS, it was also the intent of the Municipal Council in adopting Ordinance 6PSF-d on May 20, 2014 to use the percentage increase in the CPI, even though the words "percentage increase" were left out, as the purpose was to limit the maximum percentage increase for rent increases; and the 12 month period used for the calculation, previously just identified as the "previous 12 months" was always intended to be the 12 month period closest to the date of the proposed rent increase that is administratively possible to use, given the lag in publication time of the Bureau of Labor Statistics and the requirement in state law that landlords give tenants at least one calendar month notice of a rent increase, and that period starts 15 months prior to the rent increase and ends 3 months prior to the rent increase as set forth in this amending Ordinance; and

WHEREAS, certain taxpayer tenants and landlords have requested amendments to the

above-mentioned ordinance; and

WHEREAS, the Municipal Council further adopted a resolution on August 6, 2014, which clarified the intent of the amendments previously adopted with regard to the Consumer Price Index; and

WHEREAS, the Municipal Council is desirous of amending certain provisions of the Revised General Ordinances of the City of Newark, New Jersey, 2000, more specifically, Title 19, Chapter 2, Rent Control Regulations, Rent Control Board, at the request of taxpayer tenants and landlords.

NOW, THEREFORE, BE IT ORDAINED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, NEW JERSEY, THAT:

SECTION 1. Title 19, Chapter 2, Rent Control Regulations, Rent Control Board, of the Revised General Ordinances of the City of Newark, New Jersey, 2000, are hereby amended and supplemented as follows:

Editor's Note: Additions are shown as underlined and bold. Deletions are strikethroughs.

CHAPTER 2 RENT CONTROL REGULATIONS; RENT CONTROL BOARD.

19:2-2. DEFINITIONS.

As used in this chapter:

Consumer Price Index (CPI) shall mean the Consumer Price Index for All Urban Consumers (CPI-U), as published by the United States Department of Labor's Bureau of Labor Statistics for the New York - Northern New Jersey - Long Island, NY-NJ-CT-PA consolidated area.

Habitable Room shall mean a residential room or space, having an area exceeding 59 square feet in which the ordinary functions of domestic life are carried on, and which includes bedrooms, living rooms, studies, recreation rooms, kitchens, dining rooms, and other similar spaces, but does not include closets, halls, stairs, laundry rooms, or bathrooms. (See N.J.A.C. 5:10-2.2).

Housing space shall mean any room or rooms, or suite or apartment thereof, whether furnished or unfurnished, which is occupied, or intended, arranged or designed to be occupied, for sleeping or dwelling purposes by one or more persons, including but not limited to the owner thereof, or any of his servants, agents or employees, and shall include all privileges, services, furnishings, furniture, equipment, facilities and improvements connected with the use or occupancy thereof.

Housing space shall mean that portion of a dwelling rented or offered for rent for living and dwelling purposes to one (1) individual or family unit, together with all privileges, services, furnishings, furniture, equipment, facilities, improvements and common areas connected with the use or occupancy of such portion of the property.

Major new improvement shall mean a physical addition or change to the dwelling, which provides all tenants in the dwelling with something not previously provided that improves the quality of life in the dwelling. **A Major New Improvement is of a nature and extent that it benefits the tenants' enjoyment thereof with a degree of permanency.** A **repair or** replacement of an existing physical element, such as a roof, is not a major new improvement, whether that element was necessary for habitability or provided an amenity not required for habitability. Such a **repair or** a replacement is considered a maintenance expense. (A physical addition or change, which does provide something new that benefits the tenants, but is required by law to meet minimum standards of health, safety, security or habitability), **is also not a major new improvement.** A major new improvement must be something new that benefits the tenants, and is not required by law. **If an existing physical element is replaced by another one which also provides a new benefit or benefits to the tenants (such as replacing a roof with a roof garden accessible to the tenants), the portion of the change which provides the additional benefit, and only that portion, will be considered a Major New Improvement.** A major new improvement for the purpose of this Chapter is not in any way related to the term 'Capital Improvement' or 'Capital Expenditure' as used in IRS regulations, even if the IRS would categorize such improvements in these ways. **Month to month tenant** shall mean a tenant for a term of one (1) month whose tenancy shall automatically be extended for each succeeding month, unless terminated as provided by statute.

Substantial Compliance shall mean that the housing space and dwelling are free from the major health, safety and fire hazards as well as in compliance with heat and hot water and sanitary requirements. Compliance is to be determined with the aid of appropriate city and state regulatory agencies based upon current code inspection reports which shall not be more than six (6) months old at the time of the initial hearing for all applications requesting any type of increase or surcharge.

Substantial compliance shall mean that the dwelling is in compliance with all applicable Federal, State and Newark health, safety, building, and property maintenance codes, statutes, regulations and ordinances, including, but not limited to the Regulations for Construction and Maintenance of Hotels and Multiple Dwellings promulgated by the State Department of Community Affairs (N.J.A.C. 5:10-1 et seq.). Substantial compliance means that the dwelling and each housing space are free from all heat, hot water, water, air conditioning, elevator, and all health, safety and fire violations, as well as ninety (90%) percent qualitatively free of all other violations. If a rent increase or surcharge is challenged by a tenant on the basis of lack of substantial compliance, the burden is on the landlord to prove that the building is in substantial compliance. Substantial compliance also includes full compliance with the Landlord Identity Disclosure Act (N.J.S.A. 46:8-27 et seq.). Nothing in this section impairs the right of a tenant to seek and receive an appropriate rent reduction for diminishment of services.

19:2-3. RENT INCREASES.

19:2-3.1. Determination of Rents.

The establishment of rents between a landlord and tenant in all housing spaces shall hereafter be determined by the provisions of this Chapter. At the expiration of a lease or at the termination of
