Resolution 7R7-n 080608 , designated 36-54 Rector, LLC. as the redeveloper of the property 36-54 Rector Street..

**WHEREAS**, on August 6, 2008, the Municipal Council of the City of Newark (the “Municipal Council”) adopted Resolution 7R7-n 080608 designating 36-54 Rector, L.L.C. as the redeveloper of the property commonly known as 36-54 Rector Street and identified on the tax map of the City of Newark as Block 17, Lot 26 (the “Property”) and authorizing the Mayor and the Deputy Mayor/Director of the Department of Economic and Housing Development to enter into a redevelopment agreement with 36-54 Rector, L.L.C. for the sale and rehabilitation of the Property; and

**WHEREAS**, pursuant to the authorization set forth within Resolution 7R7-n 080608, the redevelopment agreement was executed by City representatives and became effective on October 8, 2008 (the “Redevelopment Agreement”); and

**WHEREAS**, the Redevelopment Agreement provided that 36-54 Rector L.L.C. would construct a residential project consisting of approximately 152 new luxury market rate units in a multi-story residential tower to be located on the property with ground floor retail space, residential lobby and amenity space with parking for approximately 154 vehicles (the “Project”); and

**WHEREAS**, the City and 36-54 Rector, L.L.C. contemplated that the housing units built for the Project would be sold as condominiums and 36-54 Rector, L.L.C. worked diligently to obtain financing for a condominium project; and

**WHEREAS**, after the execution of the Redevelopment Agreement, the residential condominium market in New Jersey experienced an economic downturn due to the recession and, as a result, 36-54 Rector, L.L.C. now wishes to construct a high rise residential rental project on the Property; and

**WHEREAS**, the Redevelopment Agreement also provided that in order to compensate 36-54 Rector, L.L.C. for the consequential increase in the cost of the project in the event of a City request that 36-54 Rector, L.L.C. enter into a project labor agreement (“PLA”) governing the workforce requirements for the project, the City would fund, via the issuance of redevelopment area bonds, UEZ grants, or other financial incentives, a PLA Increase in an amount to be agreed upon by the City and 36-54 Rector, L.L.C., but no less than \$11.5 million dollars and no more than \$15 million dollars; and

**WHEREAS**, 36-54 Rector, L.L.C. has applied to the New Jersey Economic Development Authority (the "NJEDA") for an increase in its urban transit hub tax credit award to 35% of the total qualifying project cost for a residential rental project consistent with this change in law; and

**WHEREAS**, as a result of changes in the project costs including an increase in costs due to the need to finance transaction costs related to redevelopment area bonds, subsidies/loans and the receipt by 36-54 Rector, L.L.C. of an urban transit hub tax credit award for this project and costs associated with financing the tax credits through construction, the City and 36-54 Rector, L.L.C. wish to amend the provisions of the Redevelopment Agreement in order to revise the PLA Increase and method of payment of the purchase price of the property; and

**WHEREAS**, the Redevelopment Agreement also established deadlines for certain redevelopment activities, including the receipt of Governmental Approvals, the closing on the sale of the property, and the Commencement and Completion of Construction; and

**WHEREAS**, due to changes in the Project, the City and 36-54 Rector, L.L.C. wish to amend the deadlines in the Redevelopment Agreement.
