WHEREAS, the New Jersey “Clean Communities and Recycling Act” of 1981, created the Municipal Recycling Tonnage Grant Program, whereby municipalities could receive a grant for the amount of materials documented as being recycled during the previous calendar year; and

WHEREAS, in 1987, the New Jersey “Mandatory Source Separation and Recycling Act,” specifically N.J.S.A. 13:1E-99.16, mandated that municipalities submit an annual Recycling Tonnage Report summarizing the amount of material recycled during the previous calendar year; and

WHEREAS, in January 2008, the “Recycling Enhancement Act,” specifically N.J.S.A. 13:1E-96.b(1) reestablished the State of New Jersey Recycling Fund as a non-lapsing, revolving fund, administered by the New Jersey Department of Environmental Protection (“NJDEP”), from which a tonnage grant may be provided to municipalities in order to encourage local source separation and recycling programs; and

WHEREAS, the Municipal Recycling Tonnage Grant program does not require the submission of an official application to receive an award nor does the NJDEP issue official award letters, rather grant funds are provided to the City via direct deposit; and

WHEREAS, in order to remain eligible for a direct recycling grant, municipalities need only submit an annual recycling tonnage report to the NJDEP for the previous calendar year’s recycling; and

WHEREAS, on or about June 2014 the City of Newark caused a 2013 annual Recycling Tonnage Report to be filed with the NJDEP (see “Tonnage Report” attached hereto and made a part hereof); and

WHEREAS, the Director of Public Works wishes to accept said 2013 Recycling Tonnage Grant funds; and

WHEREAS, no grant agreement is required in order to accept the 2013 Recycling Tonnage Grant funds; and

WHEREAS, no matching municipal funds are required for acceptance of the 2013 Recycling Tonnage Grant funds; and

WHEREAS, there is no timeframe for which the City may expend Tonnage Grant Funds as long as all recycling tonnage grant monies received are expended only for the City’s recycling program, pursuant to the Recycling Enhancement Act.
