**WHEREAS**, the Municipal Council has determined, pursuant to N.J.S.A. 40A:20-11, that the relative benefits of this Project outweigh any costs associated with this proposed tax exemption and that without the tax exemption granted herein, the Project would not be undertaken.

**NOW, THEREFORE, BE IT ORDAINED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, NEW JERSEY, THAT:**

1. The Application of Tower at Halsey and William Urban Renewal, LLC, 645 Martinsville Road, Suite 204, Basking Ridge, New Jersey 07920 (the "Entity"), for the development, maintenance and operation of the Project described in the application, is hereby approved, in accordance with the recommendation of the Mayor, for a project to construct a building consisting of 243 market rate residential rental units, 27 affordable housing units restricted to 80% of Area Median Income in accordance with City of Newark Inclusionary Zoning Ordinance 6PSF-b, adopted October 4, 2017, 2 restaurants comprising approximately 8,150 square feet of space, 156 parking spots and certain other amenities, located at 16-24 William Street, 26-30 William Street, and 32-34 William Street, Newark, New Jersey and identified on the City of Newark Official Tax Map as Block 94, Lots 6, 3, and 1 (collectively, the "Project")(Central Ward).

2. The Municipal Council hereby finds and determines that the Financial Agreement is to the direct benefit of the health, welfare and financial well-being of the City and its citizens because the Project will create approximately 243 units of housing, of which approximately 27 units will be affordable housing, and further (a) the costs associated with the tax exemption granted herein are minor compared to the estimated Total Project Cost of approximately \$125,921,248.00, and the benefits created by the additional construction and permanent jobs created and (b) without the tax exemption granted herein it is highly unlikely that the Project would otherwise be undertaken.

3. The exemption from taxation on the Improvements is hereby granted to the Entity for a period equal to the earlier of (i) thirty-five (35) years from the date of execution thereof or (ii) thirty (30) years from Substantial Completion pursuant to N.J.S.A. 40A:20-12, and only so long as the Entity is subject to, and complies with, the proposed Financial Agreement and the Long Term Tax Exemption Law, as amended and supplemented, and upon further condition that the Entity does not file a petition of tax appeal for the premises on which the Project is to be located.

4. The Financial Agreement, the form of which is attached hereto, is approved and the Mayor and the Deputy Mayor/Director of the Department of Economic and Housing Development of the City (each, an "Authorized Officer") are each hereby authorized to execute, on the City's behalf, the Financial Agreement in substantially such form, with such changes to the Financial Agreement as an Authorized Officer deems necessary and proper to effectuate the terms and conditions of the Financial Agreement. The City Clerk is hereby authorized and directed to attest to the execution of the Financial Agreement by the Authorized Officers of the City as determined hereunder and to affix the corporate seal of the City of the Financial Agreement.

5. Pursuant to the provisions of the Redevelopment Bond Law, specifically N.J.S.A.

40A:12A-67(c) and, if applicable, N.J.S.A. 40A:12A-69, the City is hereby authorized to assign any or all of the City's right, title and interest in and to the Annual Service Charges as security for the Bonds. The Authorized Officers, or either of them, are each hereby authorized to execute and deliver, on behalf of the City, an assignment of the Annual Service Charges in such form as they may deem to be necessary or appropriate for the purpose of effectuating such assignment. The City Clerk is hereby authorized and directed to attest to the execution of such assignment(s) by the Authorized Officer(s) of the City as determined hereunder and to affix the corporate seal of the City to such assignment(s).

6. The Deputy Mayor/Director of Economic and Housing Development shall file an executed copy of the Financial Agreement authorized by this Ordinance in the Office of the City Clerk.

7. Upon the execution of the Financial Agreement as contemplated herein, the Authorized Officers and the City Clerk are each hereby severally authorized and directed to file and record this Ordinance and the Financial Agreement with the Essex County Clerk. Pursuant to and in accordance with the provisions of the Redevelopment Bond Law, specifically N.J.S.A. 40A:12A-68(c), and notwithstanding any other law to the contrary, upon recordation of both this Ordinance and the Financial Agreement, the lien thereof shall be perfected for all purposes in accordance with law and the lien shall thereafter be superior to all non-municipal liens thereafter recorded to otherwise arising, without any additional notice, recording, filing, continuation filing or action, until payment of all of the Bonds.

8. The Authorized Officers of the City are hereby further severally authorized and directed to (i) execute and deliver, and the City Clerk is hereby further authorized and directed to attest to such execution and to affix the corporate seal of the City to, any certificate, agreement or other document that is determined to be necessary or desirable in connection with the execution and delivery of the Financial Agreement and the consummation of the transactions contemplated thereby, which determination shall be conclusively evidenced by the execution of each such certificate or other document by the party authorized hereunder to execute such certificate or other document, and (ii) perform such other actions as are necessary or desirable in relation to the execution and delivery thereof.

9. The Project when completed shall conform with all Federal and State law and ordinances and regulations of the City of Newark relating to its construction and use.

10. The Entity shall in the operation of the Project comply with all laws so that no person shall be subject to any discrimination because of race, religious principles, color, national origin, or ancestry.

11. The Affirmative Action Program now on file in the Office of the City Clerk is declared to be a material condition of the Financial Agreement authorized by this Ordinance.

12. The Entity shall file an employment report with the Office of Affirmative Action who shall forthwith after receiving the report send a copy thereof to the Office of the City Clerk, and the Office of Affirmative Action shall forthwith investigate the matters contained therein and report its findings to the Municipal Council.

13. The Entity shall, from the time the Annual Service Charge becomes effective, pay the Annual Service Charge as set forth in the Financial Agreement. The Unpledged Annual Service Charge shall be based on 6.5% Annual Gross Revenue and may increase as set forth more fully within the Financial Agreement.

14. The Entity shall pay the Minimum Annual Service Charge, as calculated pursuant to N.J.S.A. 40A:20-12(b)(2)(e) and the Financial Agreement, in each year in which the Annual Service Charge, as provided in paragraph 9 above and the Financial Agreement, would be less than the Minimum Annual Service Charge.

15. There is hereby authorized the issuance by the City of not more than \$1,000,000.00, aggregate principal amount of its Bonds under the Redevelopment Bond Law and the Redevelopment Law and other applicable provisions of law, for the purpose of financing the cost of redevelopment projects, and in connection therewith, to finance or refinance any other cost or expense of the City, as shall hereafter be specified by resolution of the Municipal Council. The Bonds may be issued in one or more series and from time to time, and shall be designated as shall be determined by subsequent resolution of the Municipal Council, and shall contain such other terms and conditions as shall be provided by subsequent resolution of Municipal Council. The Bonds shall constitute non-recourse obligations as to the City and shall not be secured by the full faith and credit of the City, but shall be payable solely from a pledge and assignment of all or a portion of the Annual Service Charges, as shall be determined by subsequent resolution of the Municipal Council and as shall be set forth in one or more trust indentures to be entered into by the City setting forth the terms of the Bonds. Said trust indenture(s) (collectively, the "Indenture") shall be authorized by subsequent resolution of the Municipal Council, and in addition to providing for the terms of the Bonds, may also provide for the issuance, from time to time, of one or more additional series of bonds on a parity with the Bonds. Pursuant to N.J.S.A. 40A:12A-67(d), the Bonds shall be issued as non-recourse obligations, and shall not be considered to be direct and general obligations of the City, and the City shall not be obligated to levy and collect a tax sufficient in an amount to pay the principal and interest on the Bonds when the same become due and payable, and the Bonds shall not be considered gross debt of the City on any debt statement filed in accordance with the Local Bond Law, and accordingly no supplemental debt statement need be filed in connection herewith. The Bonds shall bear interest at such rate or rates, shall be sold at public sale, or if approved by the Local Finance Board, at private sale, to such purchaser or purchasers at such price or prices, shall contain such maturity and redemption terms, and shall contain such other terms and conditions as may be determined by subsequent resolution of the Municipal Council and as shall be set forth in the Indenture.

16. All City officers and professionals are hereby authorized to take all necessary and appropriate steps to assist the Entity in connection with its application to the New Jersey Local Finance Board for approval to issue the Bonds for the funding of a part of the costs of the Project.

17. The Entity agrees that it shall pay to the City of Newark a fee of two percent (2%) of the Annual Service Charge as an administrative fee to be paid annually for the term of the Financial Agreement.

18. To the extent of any inconsistency with any prior City ordinance and/or Municipal Code provision governing the granting of long-term tax exemptions, including, inter alia, procedures for application, review and approval, required terms of the financial agreement, required conditions and covenants, limits on duration, means of enforcement, requirements for contribution to the City's

Affordable Housing Trust Fund, and all other matters whatsoever, such prior City ordinances and/or Municipal Code provisions are hereby waived, but only with respect to this Ordinance

19. Within 10 calendar days following the later of the effective date of this Ordinance or the execution of the Financial Agreement by the Entity, the City Clerk's Office of the City of Newark shall transmit a certified copy of this Ordinance and Financial Agreement to the Chief Financial Officer of the County and to the County Counsel for informational purposes.
