WHEREAS, the Reinvent Stockton Foundation (RSF) and Mayors for Guaranteed Income (MGI), both located at 110 North San Joaquin Street, Stockton, California 95202, were established on January 19, 2017 and are premised on the principle that everyone needs and should have an income floor through having a Guaranteed Income Program; and

WHEREAS, a Guaranteed Income Program would enable recipients to provide for their most critical needs, as well as provide a cushion for unforeseeable expenses, crises and emergencies; and

WHEREAS, RSF is the fiscal sponsor of the Stockton Economic Empowerment Demonstration ("SEED") launched by MGI, a non-profit corporation, which is a sub-project aimed at supporting other cities to adopt a Guaranteed Income Program; and

WHEREAS, through MGI, like-minded Mayors, have come together to advocate and network for a Guaranteed Income Program, in the form of direct, reoccurring payments, to its economically disadvantaged residents to thereby create a stronger community and ultimately, for Newark, a stronger, more economically viable City; and

WHEREAS, MGI engaged Mayor Ras J. Baraka to explore the viability of implementing a Pilot Program to establish Guaranteed Income Program (“Pilot Program” or “Program”) for the residents of the City of Newark (the “City”); and

WHEREAS, because of this engagement, MGI granted Community Foundation of New Jersey (“CFNJ”), of Morristown, New Jersey 07960, One Hundred Thousand Dollars and Zero Cents (\$100,000.00) in grant funds, for State Fiscal Year 2020 (September 1, 2020 through December 31, 2020) for the City to use as a Third-Party Beneficiary of these grant funds; and

WHEREAS, MGI and CFNJ have entered into an agreement in which CFNJ will operate as the City’s fiscal sponsor for a 3% fee of the grant funds; and

WHEREAS, on December 22, 2020, the Municipal Council adopted 7R7-a, which ratified and authorized the Mayor and/or his designee to accept grant funds in the amount of One Hundred Thousand Dollars and Zero Cents (\$100,000.00) from RSF; and

WHEREAS, on December 4, 2020 MGI contacted the City and informed it that they had received additional funding for its program and therefore would be disbursing more money to its program participants; and

WHEREAS, on or before January 7, 2021 RSF notified the City of an additional award of Five Hundred Thousand Dollars and Zero Cents (\$500,000.00) for the Guaranteed Income Pilot Program (the “Program”); and

WHEREAS, in addition to more money being available for the program, the Jain Family Institute, 568 Broadway, Suite 601, New York, New York 100012 is removed and replaced with MGI as the entity that would research the viability of the Program in the City; and

WHEREAS, based on this new award amount and removing the Jain Family as the City’s research for the Program, RSF and MGI has informed the City that it must execute a new Memorandum of Understanding (MOU) to effectuate these changes and accept the grant funds in the amount of Six Hundred Thousand Dollars and Zero Cents (\$600,000.00); and

WHEREAS, the City of Newark seeks to execute a MOU to accept these funds, extend the date of the program, and revise other provisions; and

WHEREAS, the City of Newark recognizes that RSF and MGI may extend the time of the grant award and provide additional funds if made available; and

WHEREAS, the City, RSF, and MGI intend for this resolution and MOU to supersede any prior agreements and to serve as the only resolution and MOU for the Program.
