NOW, THEREFORE, BE IT ORDAINED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, IN THE COUNTY OF ESSEX, NEW JERSEY, AS FOLLOWS:

1. The Entity is hereby designated to act as redeveloper for the Project, in accordance with the Redevelopment Plan and the plans and specifications contained in the Exemption Application, subject to the conditions and as more fully set forth in the form of Financial Agreement attached.

2. The Exemption Application is hereby approved in accordance with the recommendation of the Mayor.

3. The Municipal Council hereby finds and determines that the Financial Agreement is to the direct benefit of the health, welfare and financial well-being of the City and its citizens because the Project will serve to upgrade existing electrical load capacity and provide redundancy for existing infrastructure in the City, and further (a) the costs associated with the tax exemption granted herein are minor compared to the estimated Total Project Cost of approximately \$40,000,000 and the benefit created by (i) the construction of the Improvements, (ii) the creation of jobs during the construction period and (iii) the creation of permanent jobs through the permanent operation of the Improvements, and (b) without the tax exemption granted herein it is highly unlikely that the Project would otherwise be undertaken.

4. The exemption from taxation on the Improvements is hereby granted to the Entity for a period equal to the earlier of (i) thirty-five (35) years from the date of execution of the Financial Agreement, (ii) thirty (30) years from the completion of the Project, or (iii) the date on which no Bonds remain outstanding.

5. The Financial Agreement, the form of which is attached hereto, is approved and the Mayor and the Deputy Mayor/Director of the Department of Economic and Housing Development of the City (each, an "Authorized Officer") are each hereby authorized to execute, on the City's behalf, the Financial Agreement in substantially such form, with such non-substantive changes to the Financial Agreement as an Authorized Officer deems necessary and proper to effectuate the terms and conditions of the Financial Agreement, subject to the written approval of the Corporation Counsel. The City Clerk is hereby authorized and directed to attest to the execution of the Financial Agreement. The City Clerk is hereby authorized and directed to attest to the execution of the Financial Agreement by the Authorized Officers of the City as determined hereunder and to affix the corporate seal of the City of the Financial Agreement.

6. Pursuant to the provisions of the Redevelopment Bond Law, specifically N.J.S.A. 40A:12A-67(c) and, if applicable, N.J.S.A. 40A:12A-69, the City is hereby authorized to assign any or all of the City's right, title and interest in and to the Annual Service Charges as security for the Bonds. The Authorized Officers, or either of them, are each hereby authorized to execute and deliver, on behalf of the City, an assignment of the Annual Service Charges in such form as they may deem to

be necessary or appropriate for the purpose of effectuating such assignment, subject to the written approval of the Corporation Counsel. The City Clerk is hereby authorized and directed to attest to the execution of such assignment(s) by the Authorized Officer(s) of the City as determined hereunder and to affix the corporate seal of the City to such assignment(s).

7. An executed copy of the Financial Agreement authorized by this ordinance shall be filed and maintained with the City Clerk. The Office of the City Clerk shall also forthwith file certified copies of this ordinance and the Financial Agreement with the Director of the Division of Local Government Services pursuant to N.J.S.A. 40A:20-12.

8. Upon the execution of the Financial Agreement as contemplated herein, the Authorized Officers and the City Clerk are each hereby severally authorized and directed to file and record this ordinance and the Financial Agreement with the Essex County Clerk such that the Financial Agreement and this ordinance shall be reflected upon the land records of the County of Essex as a lien upon and a covenant running with each and every parcel of land constituting the Parcel. Pursuant to and in accordance with the provisions of the Redevelopment Bond Law, specifically N.J.S.A. 40A:12A-68(c), and notwithstanding any other law to the contrary, upon recordation of both this ordinance and the Financial Agreement, the lien thereof shall be perfected for all purposes in accordance with law and the lien shall thereafter be superior to all non-municipal liens thereafter recorded to otherwise arising, without any additional notice, recording, filing, continuation filing or action, until payment of all of the Bonds.

9. The Authorized Officers of the City are hereby further severally authorized and directed to (i) execute and deliver, and the City Clerk is hereby further authorized and directed to attest to such execution and to affix the corporate seal of the City to, any certificate or other document that is determined to be necessary or desirable in connection with the execution and delivery of the Financial Agreement and the consummation of the transactions contemplated thereby, subject to the written approval of the Corporation Counsel, which determination shall be conclusively evidenced by the execution of each such certificate or other document by the party authorized hereunder to execute such certificate or other document, and (ii) perform such other actions as are necessary or desirable in relation to the execution and delivery thereof.

10. The Project when completed shall conform with all Federal and State law and ordinances and regulations of the City relating to its construction and use.

11. The Entity shall in the operation of the Project comply with all laws so that no person shall be subject to any discrimination because of race, religious principles, color, national origin, or ancestry.

12. The Owner shall, from the time the Annual Service Charge becomes effective, pay the Annual Service Charge as set forth in the Financial Agreement.

13. There is hereby authorized the issuance by the City of not more than \$25,000,000 aggregate principal amount of its Bonds under the Redevelopment Bond Law and the Redevelopment Law and other applicable provisions of law, for the purpose of financing the cost of redevelopment projects, and in connection therewith, to finance or refinance any other cost or expense of the City, as shall hereafter be specified by resolution of the Municipal Council. The Bonds may be issued in one or more series and from time to time, and shall be designated as shall be

determined by subsequent resolution of the Municipal Council, and shall contain such other terms and conditions as shall be provided by subsequent resolution of Municipal Council. The Bonds shall constitute non-recourse obligations as to the City and shall not be secured by the full faith and credit of the City, but shall be payable solely from a pledge and assignment of all or a portion of the Annual Service Charges, as shall be determined by subsequent resolution of the Municipal Council and as shall be set forth in one or more trust indentures to be entered into by the City setting forth the terms of the Bonds. Said trust indenture(s) (collectively, the "Indenture") shall be authorized by subsequent resolution of the Municipal Council, and in addition to providing for the terms of the Bonds, may also provide for the issuance, from time to time, of one or more additional series of bonds on a parity with the Bonds. Pursuant to N.J.S.A. 40A:12A-67(d), the Bonds shall be issued as non-recourse obligations, and shall not be considered to be direct and general obligations of the City, and the City shall not be obligated to levy and collect a tax sufficient in an amount to pay the principal and interest on the Bonds when the same become due and payable, and the Bonds shall not be considered gross debt of the City on any debt statement filed in accordance with the Local Bond Law, and accordingly no supplemental debt statement need be filed in connection herewith. The Bonds shall bear interest at such rate or rates, shall be sold at public sale, or if approved by the Local Finance Board, at private sale, to such purchaser or purchasers at such price or prices, shall contain such maturity and redemption terms, and shall contain such other terms and conditions as may be determined by subsequent resolution of the Municipal Council and as shall be set forth in the Indenture.

14. All Authorized officers of the City are hereby authorized to take all necessary and appropriate steps to assist the Entity in connection with its application to the New Jersey Local Finance Board for approval to issue the Bonds for the funding of a part of the costs of the Project.

15. To the extent of any inconsistency with any prior City ordinance and/or Municipal Code provision governing the granting of long-term tax exemptions, including, inter alia, procedures for application, review and approval, required terms of the financial agreement, required conditions and covenants, limits on duration, means of enforcement, and all other matters whatsoever, such prior City ordinances and/or Municipal Code provisions are hereby waived, but only with respect to this ordinance.

16. This ordinance shall take effect upon final passage and publication in accordance with the laws of the State of New Jersey.
