WHEREAS, the Director of the Department of Public Works is also "...authorized to establish, from time to time, such regulations as may be necessary or expedient to carry out the intent..." of the City of Newark's Ordinance; and

WHEREAS, the Director of the Department of Public Works has found allowing placement of plastic bags filled with solid waste on the curb without a sufficient, suitable receptacle creates a nuisance and public health hazard; and

WHEREAS, the Director of the Department of Public Works has determined that requiring owners, rather than tenants, of dwellings to be responsible for providing sufficient, suitable receptacles will create less of a nuisance and provides for a more sanitary method of disposing of Solid Waste and is necessary to carry out the intent..." of the City of Newark's Solid Waste Ordinance; and
