Directing the Administration to provide answers and information to the following issues in relation to the resolutions Investigating and Area in Need of Redevelopment on the February 27, 2018 Council's agenda:

1. Given the scope of the projects, is it the intent of the developers to discuss their projects with the Municipal Council?
2. Historically, developers have provided the Municipal Council with information through presentations, photos and discussions, they request information be provided.
3. Once the development projects is finished what is possibility of hiring Newark residents?
