WHEREAS, the Zoning and Land Use Regulations of the Revised General Ordinances of the City of Newark, New Jersey, 2000, as amended and supplemented (the "Zoning and Land Use Regulations") were recently amended to enhance planning, housing, and economic development within the City of Newark (the "City"); and

WHEREAS, the Zoning and Land Use Regulations, Title 41, Section 15-12.2, provides for the assessment of non-refundable application fees for applications to the Newark Central Planning Board, Newark Zoning Board of Adjustment and the Newark Landmarks and Historic Preservation Commission (the "Boards") for the purpose of offsetting the administrative and clerical costs for

running those Boards; and

WHEREAS, N.J.S.A. 40:55D-53.2(b) allows a municipality to require developers to provide a monetary deposit toward the anticipated cost of professional services to be incurred by the City in reviewing the developers' land use application; and

WHEREAS, the Department of Economic and Housing Development has determined that the City's Zoning and Land Use Regulations do not provide for a monetary deposit by developers to offset the cost of professional services incurred by the City in reviewing land use applications and the implementation of N.J.S.A. 40:55D-53.2(b) would result in a cost savings for the City for professional services provided by City's internal planning experts and outside consultants hired by the City to review and analyze land use applications made to the Boards; and

WHEREAS, the Department of Economic and Housing Development proposes an amendment to the Land Use Procedures to include a new Section 12.3 to Chapter 15 of the Zoning and Land Use Regulations (Title 41) to be entitled "Professional Review Fees, Escrows and Procedures" which will establish a schedule of escrow deposits to be made by developers to fund the review of their land use applications; and

WHEREAS, pursuant to N.J.S.A. 40:55D-64, prior to the hearing on adoption of a Zoning Ordinance, or any amendments thereto, the Municipal Council shall refer any such proposed ordinance or amendment to the Newark Central Planning Board for formal review, report and recommendation as required by N.J.S.A. 40:55D-26.

NOW, THEREFORE, BE IT RESOLVED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, NEW JERSEY, THAT:
