WHEREAS, the Zoning and Land Use Regulations, Title 41, Section 15-12.2, provides for the assessment of non-refundable application fees for applications to the Newark Central Planning Board, Newark Zoning Board of Adjustment and the Newark Landmarks and Historic Preservation Commission (the "Boards") for the purposes of offsetting the administrative and clerical costs of running those Boards; and

WHEREAS, pursuant to N.J.S.A. 40:55D-8(a) “[e]very municipal agency shall adopt and may amend reasonable rules and regulations, not inconsistent with this act or any applicable ordinance, for the administration of its functions, powers and duties . . .”; and

WHEREAS, the Department of Economic and Housing Development has determined that the current schedule of application fees set forth in Section 15-12.2 does not cover the City’s administrative costs in reviewing the land use applications submitted to the Central Planning Board, the Zoning Board of Adjustment, and the Landmarks and Historic Preservation Commission reviewed and processed by the City’s land use agencies (“Land Use Application Fees”); and

WHEREAS, the Department of Economic and Housing Development has determined that an increase in the Land Use Application Fees set forth in Section 15-12.2 as permitted by N.J.S.A. 40:55D-8 (a) and (b) would close the current financial gap and would result in a cost savings to the City; and

WHEREAS, the Department of Economic and Housing Development proposes an upward adjustment of the Land Use Application Fees set forth in Section 15-12.2; and

WHEREAS, pursuant to N.J.S.A. 40:55D-64, prior to the hearing on adoption of a Zoning Ordinance, or any amendments thereto, the Municipal Council shall refer any such proposed ordinance or amendment to the Newark Central Planning Board for formal review, report and recommendation as required by N.J.S.A. 40:55D-26.

1. Pursuant to N.J.S.A. 40:55D-26, the Municipal Council hereby refers to the Central Planning Board for its review, report, and recommendation, the draft Proposed Amendment to the Zoning Ordinance (“Proposed Amendment”), attached hereto as Exhibit A, which recommends an increase in the land use application fees set forth in Section 15-12.2 of the City’s Zoning and Land Use Regulations in order to cover the administrative costs incurred by the City in reviewing land use applications.
2. The Central Planning Board shall submit to the Municipal Council a report, within thirty-five (35) days after referral, which must include identification of any provisions within the Proposed Amendment that are inconsistent with the Master Plan and its recommendations regarding the rectification of any such inconsistencies, as well as any other matters as it deems appropriate in accordance with N.J.S.A. 40:55D-26.
3. The Central Planning Board shall also conduct specific review and report to the Municipal Council as to whether the Proposed Amendment is substantially consistent with the Land Use Plan Element and the Housing Plan Element of the Master Plan or designed to effectuate such Plan Elements pursuant to N.J.S.A. 40:55D-62.
4. A copy of this Resolution and the Proposed Amendment shall be filed with the Office of
