WHEREAS, while some companies have provided meaningful support to the restaurant community, other companies offering third-party food takeout and delivery services may; restaurants that are also small businesses, in particular, may have limited bargaining power to negotiate lower fees; and

WHEREAS, the City finds that it is in the public interest to take action to maximize restaurant revenue from takeout and delivery orders to enable restaurants to survive this continuing crisis and any similar future crisis, to allow sources of employment and community vitality within the City.

NOW, THEREFORE, BE IT ORDAINED BY THE MUNICIPAL COUNCIL OF THE CITY OF NEWARK, NEW JERSEY, THAT:

SECTION 2. § 8:12-16 THIRD-PARTY DELIVERY SERVICES AND INTERNET APPLICATIONS; LIMITATIONS AND FEES.

A. It shall be unlawful for any third-party food takeout and delivery service application or internet website to charge a service fee to a restaurant for take-out or delivery service greater than:

1. 15% of the cost of the individual order; or

2. 5% of the cost of the individual order when the order is delivered by an employee of the restaurant or an independent contractor with whom the restaurant has contracted directly.

B. It shall be unlawful to reduce the compensation rates or gratuities paid to a delivery service driver because of the limits on fees imposed by this Ordinance.

C. Notwithstanding any existing agreement in effect prior to the effective date of this Ordinance, it shall be unlawful for a third-party delivery service application or internet website to charge a restaurant a fee per order greater than the fee allowed by this Ordinance for services, including, but not limited to, fees for promotions, advertising, marketing, or delivery. Any fees in a pre-existing agreement greater than those permitted by this Ordinance shall be void and unenforceable against a restaurant.

However, any restaurant that chooses to pay a service fee that is greater than the fee set forth in the provisions of this Ordinance shall be required to affirmatively elect to pay that fee regardless of any contract that is in effect on the effective date of this Ordinance.

E. The parties to an agreement to pay for additional services may define the term "cost of an order" to include tips, service charges and any additional fees associated with an individual order.
