Eligible Facade Improvements shall consist of repairs or improvements to the exterior of the subject property which are intended to beautify the community and may also satisfy existing City code violations or address any threats posed by the existing condition to the health, safety and welfare of the occupants of the subject property and/or community surrounding the subject property, including, but not limited to, the following, all of which shall be subject to the prioritization referenced herein:

SECTION 2.

§ 2:10-7.3 FAÇADE IMPROVEMENT PROGRAM.

a. Program for Façade Improvements.

14. Forgiveness or Repayment of the Facade Improvement Loan. Facade Improvement Loans shall be made in the form of ~~five (5)~~ **ten (10)** year interest-free, forgivable loans, up to the amount of \$40,000. For each full, consecutive year following the final Facade Improvement Loan disbursement that the borrower(s) makes the subject property his or her primary residence, ~~20%~~ **10%** of the total Facade Improvement Loan amount shall be forgiven, up to 100%, until the Facade Improvement Loan is fully satisfied. In the event that the borrower sells or transfers the subject property, or the subject property is no longer the borrower's primary residence at any time prior to the full satisfaction of the Facade Improvement Loan, the borrower(s) shall notify the Loan Administrator (s) accordingly in writing. The borrower(s) shall then be required to repay the pro-rated amount to the City in an accelerated manner upon the borrower's sale of the subject property from the sale proceeds or by prompt payment directly to the City, respectively. Upon full satisfaction of the Facade Improvement Loan, the City shall discharge the mortgage upon the subject property in accordance with the terms of the loan documents.

By way of example, if the borrower(s) is disbursed a total of \$40,000 but only makes the subject property his or her primary residence for three years following the final Facade Improvement Loan Disbursement (i.e. equivalent to ~~8,000~~ **\$4,000** per year for a total of ~~\$24,000~~ **\$12,000**), the borrower(s) would be required to repay the City the sum of ~~\$16,000~~ **\$28,000**.
